

**This week in Art, we are going to look at some textiles and patterns and find out some historical background.**

Read the information about William Morris using the fact sheet on the website. He designed lots of different patterns and pictures for wallpaper and furnishings.

**Vocabulary:**

**Design, prints, stained glass, wallpaper, tiles, tapestries, embroideries, machine processes, natural materials, pattern designer.**

**Week 11 - Art Task**

**Task 1.** Find an interesting pattern in your house from a piece of furniture, wallpaper or curtains.

**Task 2.** Sketch the pattern carefully and try to show the texture of the material using shading or colours.

I look forward to seeing the patterns you choose.

Stay safe,  
Mrs James
