

## PSHE

In this PSHE unit, we are going to be investigating human rights and how rights respecting people protect and respect human rights around the world.

In this week's lesson, we are going to be answering the big questions:

- Why are people's human rights sometimes not met in places around the world?
- Why are people's human rights sometimes not met here in the UK?

Watch the video on YouTube. You may want to make notes as you watch.

Read the case studies which are found by clicking on the button 'PSHE Case Studies'. Spend some time thinking about each one using these questions:

- Which country are the people concerned from?
- What is happening to them?
- Why is it happening to them?
- How is it stopping their human rights being met?

Using one of the case studies and your notes, write a newspaper report which describes the human rights issues being faced. Try to explain what is happening and why human rights are not being met. You could also try and suggest what could be done to make the situation better.
